PSSonline: Grade1-2

- Combination of Online (Moodle, E-books, weekly classes)
- Facilitation: Grade 1-2 students must be based in Swakopmund as they need the face-to-face. Students will also receive a stationery list, necessary to complete each subject.
- Term 1: Afternoon Facilitation will be 3 times a week to help ensure the Phonics, Reading programme and Mathematics is taught and applied correctly
- Term 2 and 3: Afternoon facilitation will be 2 times a week to ensure the students continue progression and will help to assess student's progress.
- Subjects: Mathematics, English, Science, Global perspectives

PSSonline: Grade 3-4

- Online teaching: Moodle, E-books, weekly online classes and facilitation at the end of term.
- Students will receive a timetable for morning online classes as well as a guide timetable to follow at home while following the Weekly online lessons prepared available on Moodle.
- **Flipped classroom** - students expected to read and revise the work before class starts.
- Subjects Grade 3-4: English, Science, Mathematics, Global Perspectives
- Students will have 2 online classes per subject (Mathematics, English, Science) (6 online classes per week, with Facilitator between 7:00-13:00), which will be optional to assist with any questions, homework and assessments.
- Students will receive an Objective sheet for the week with Objectives for each subject, homework as well as projects that need to be completed. This can be done flexibly as long as weekly objectives are reached to be able to progress to the next week. Students will also receive a stationery list, necessary to complete each subject.

PSSonline: Grade 5-6

- Online teaching: Moodle, E-books, weekly online classes and facilitation at end of term.
- Students will receive a timetable for morning online classes as well as a guide timetable to follow at home while following the Weekly online lessons prepared available on Moodle.
- **Flipped classroom** - students expected to read and revise the work before class starts.
- Subjects Grade 5-6: English, Science, Mathematics, Global Perspectives, Geography and History
- Students will have 2 online classes per subject per week (Mathematics, English, Science) as well as 1 online class per week for Geography and History (8 online classes per week with the Facilitator between 7:00-13:00), which will be optional to assist with any questions, homework and assessments.
- Students will receive an Objective sheet for the week with Objectives for each subject, homework as well as projects that need to be completed. This can be done flexibly as long as weekly objectives are reached to be able to progress to the next week. Students will also receive a stationery list, necessary to complete each subject.

students wear when
attending Online
classes/ events.

PSSonline: Visiting week

- Our online students are invited to visit the PSS for the **1st week of the year (Orientation week)** to meet their teacher and learn about Moodle and to set goals for themselves.

Some of the topics that will be covered:

- Athletics (Sport day and being placed into an athletics team)
 - Entrance test (To assist in understanding where the student is academically)
 - How does Moodle work (setting up Moodle and finding class work)
 - E-books (Register for e-books)
 - Timetable and Goal setting (Understanding timetable and tasks)
-
- Online students in Grade 3-6 need to join PSS for a week at the **end of Term 1, Term 2 and Term 3** for face-to-face teaching, for practical lessons and some assessments.
 - Our online students write assessments and receive progress reports in the same way as the students at school
 - Online students get the opportunity to finish the International Cambridge courses and to write the external examinations at the PSS.

PSSonline: Reports

- Grade 1-2 students work on achieving their Objectives and this will be their report, to identify what goals have been achieved.
- Grade 3-6 Receive academic reports, indicating progress:
 - 40% Prepared assessments
 - + 60% Unprepared assessments
- This will help ensure that students can apply their skills learned especially when unprepared.
